EDEN BARN

BOUTIQUE WEDDING VENUE

Overlooking picturesque scenery, and set in 100 acres, our exclusive and intimate licensed Wedding Barn will immerse your guests in the charm and character of Cumbria's enchanting Upper Eden Valley

WHO WE ARE

Our traditional 200 year old Westmorland stone barn has a rustic elegance that can be tailored to you, for a unique wedding.

This beautiful building is packed with rustic charm from the giant chandeliers to the exposed stone walls, limestone flagged floor and vaulted ceiling. Outside there are expansive views, landscaped grounds with sunken seating, a licensed outdoor ceremony area and undercover terrace.

To tell you a little history on Eden Barn, our daughter asked us if she could hold her Wedding Reception in the Barn in 2015. It was then lovingly restored for our family wedding.

Today we run Eden Barn as a family. We believe that weddings should be fun, relaxed, enjoyable to arrange and personal to you.

INSIDE THE BARN

In addition to the main barn we have an adjoining Reception/Bar area with rustic wooden vaulted ceilings, stone flagged floor and cosy seating areas. We have designed and styled the venue to give it a luxury, rustic interior, leaving you to simply bring your personal items. Our bespoke bar is hand crafted from oak and above it hangs a striking floral canopy. Dried hops adorn chandeliers, and beams creating an enchanting atmosphere for your guest. We also have a fully equipped food preparation area and luxury toilet facilities. The barn is heated throughout with underfloor heating keeping you cosy whatever season you choose.

GUEST NUMBERS

Eden Barn can seat up to 144 day guests on rustic wooden trestle tables, 136 on round tables, and is able to hold 200 evening guests. We are happy to work with you to personalise your table layout in advance. We are dog friendly and have no time restriction on their entrance to the ceremony/reception.

YOUR INDOOR CEREMONY

Eden Barn is a licensed Wedding Venue, allowing you and your partner to exchange vows under our enchanting canopy of festoon lights.

Enter through our traditional oak barn doors and walk up the aisle surrounded by all the character you could wish for.

Our venue also benefits from being close to several beautiful historic churches with the charming St Theobald's being only half a mile away.

‘A beautiful boutique barn, a backdrop of gorgeous countryside and some truly amazing hosts make the perfect recipe for a wonderful wedding venue.’

YOUR OUTDOOR CEREMONY

We also offer licensed or celebrant led ceremonies outdoors under our handcrafted pergola with a stunning scenic backdrop.

Get ready in the couples lounge and exit through the sliding doors, down the path, either side bursting with greenery and florals, the pennine hills to your right, the green meadow in front of you and the sounds of nature all around.

The most beautiful & relaxing way to be married.
